

# INVITATION

On the occasion of my revisit to Uganda it would be a great honor and pleasure to meet again at a “kick-off” of a planned “Uganda – Norway” Football Academy in cooperation with Uganda top club Busogo United FC juniors and New Horizon School (primary) of the Nyenga Foundation to kick off at the Jinja Secondary High School Football ground, **12 noon on Saturday 7<sup>th</sup> December** (2x30 minutes), followed by an afternoon lunch at the scenic Jinja Sailing Club from 2 pm.

## FRIENDSHIP MATCH 2024

The objective of a football academy is for the young to be offered an addition to the academic curriculum to enhance learning, team work, self-confidence, discipline and welfare. The concept will be based on that developed in West Africa, involving Norwegian professionals. The academy has also brought talents to the global arena, including African super star Franck Kessie.

Hope to see you again! Please confirm by e-mail or whatsapp if you are available to join on this occasion:
